

# FRIDAY

# WELCOME

The 13th Franktown Meadows Hunter Derby opened today to sunshine, smiles, and a warm welcome from hosts the MacLean family.

Prior to the start of the competition day horses strolled around the traditional fences, set with a splash of floral color, on the pristine derby field. Competition Manager, Philip J De Vita and his team had produced a beautiful course, that delighted the eyes of all attendees.

Celebrating all levels of hunter competitor from walk-trot to 3'3"-3'6" divisions, there was something for everyone, on day 1 of this weekend of equestrian excellence.

As the first riders entered the ring, VIP guests settled into their cabanas to enjoy the day's events.

The sand ring opened with the Walk-Trot Poles division and ended the day with the 2'3" - 2'6" Professional Hunters.

Division Championships for the day included:

Pony Hunters

2'3" - 2'6" Jr/Am Hunters

2'3" - 2'6" Professional Hunters

Saturday will bring the final classes to conclude the Walk-Trot and Crossrail Hunter Divisions. Followed by the Pony Hunter Derby, 2' Hunter Derby, and 2'6" Hunter Derby.
